

DEPARTMENT OF VETERANS AFFAIRS

Justification and Approval

For

Other Than Full and Open Competition

1. **Contracting Organization:** Department of Veterans Affairs, VISN 18, *Amarillo Medical Center*
2. **Description of Action:** This is a request for full repair of the Humphrey Zeiss Fundus/Retinal Camera.
3. **Description of Supplies or Services:** Humphrey Zeiss will install and calibrate the retinal camera to factory specification upon completion.

4. **Statutory Authority:**

(X) (1) Only One Responsible Source and No Other Supplies or Services Will Satisfy

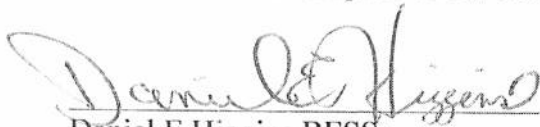

Agency Requirements;

- () (2) Unusual and Compelling Urgency;
- () (3) Industrial Mobilization, Engineering, Developmental or Research Capability, or Expert Services;
- () (4) International Agreement
- () (5) Authorized or Required by Statute;
- () (6) National Security; or
- () (7) Public Interest

Validity of Use of Statutory Authority: This job repair is essential for the Humphrey Zeiss Fundus/Retinal Camera to take pictures of the inside of the eye globe. Humphrey Zeiss is the proprietary holder of the software and camera (part) to do the calibration of the camera after install of the capture camera and the only company able to provide the necessary support of the install calibration.

5. **Actions to Promote Competition:** This is proprietary calibration installation and parts needed for the repair of the Humphrey Zeiss Fundus/Retinal Camera. Humphrey Zeiss is the only one to have the replacement for the Capture Camera.
6. **Determination of Fair and Reasonable Price:** The anticipated price to the Government is \$ 5565.00 per contract.

7. **Market Survey (FAR 10):** The reason for waiving the competition is that this is proprietary software and the part needed for replace will have to come from Humphrey Zeiss themselves; all other vendor will have to buy from Humphrey Zeiss to make repairs.
8. **Other Considerations:** Humphrey Zeiss is the proprietary holders of the replacement parts and calibration software.
9. **Listing of Sources that expressed, in writing, an interest in the acquisition:** *List compiled by CO prior to posting final J&A on Fed Biz Ops*
10. **Statement of Actions to Overcome Barriers to Competition** Since Humphrey Zeiss is the proprietary holder of this calibration and the parts to be installed; they are the proprietary holder and there are no other vendors to compete with.
11. **Requirements Certification:** I certify that the requirement outlined in this justification is a bonafide need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge and belief.
